

O Jesus, eternal Priest,
keep your priests within the shelter of Your Sacred Heart,
where none may touch them.

Keep unstained their anointed hands,
which daily touch Your Sacred Body.

Keep unsullied their lips,
daily purpled with your Precious Blood.

Keep pure and unearthly their hearts,
sealed with the sublime mark of the priesthood.

Let Your holy love surround them and
shield them from the world's contagion.

Bless their labors with abundant fruit, and
may the souls to whom they minister be their joy and consolation
here and in heaven their beautiful and
everlasting crown.

—St. Therese of Lisieux

May God bless Reverend Andrew Dernovsek as he begins his new ministry.
May the Holy Spirit lead him and gift him with courage,
happiness and peace in his lifetime of priestly service.

LECTOR TRAINING

The ministry of the lector is one of the most important ministries, as the lector is instituted to proclaim the readings from Sacred Scripture. The responsibility of proclaiming God's Word is a humbling and deeply rewarding experience.

We will have training sessions for those who are currently serving in this ministry, as well as for those who are willing to begin participating. Training will take place following the weekend Masses on September 13th and September 14th.

Please choose a date and time to attend:
 after the 4:30pm Mass on Saturday September 13th;
 after the 8:00am Mass or after the 11:00am Mass on September 14th.

Contact Julie in the parish office with any questions.

The Shroud of Turin

The Shroud of Turin is the most scientifically researched
 artifact in history. Many believe it to be the original burial
 cloth of Jesus Christ. Others believe it to be a fourteenth
 century forgery. Facilitators will summarize the historical
 background of the Shroud, and details of the prominent
 data/evidence collected, and the conclusions of scientific experts
 regarding what is known and unknown from the peer-reviewed scientific
 data. Facilitators will create time for group reflection and discussion
 regarding the science of the Shroud, and its relevance, or lack thereof, to
 our faith in Jesus Christ and His Resurrection.

Event Date	Event Topic
September 18	Reflection on science and faith
September 25	History and Background
October 2	1978 STURP Team Analysis
October 9	Dating, pollen, blood analysis
