Making God known and loved,
 humbly and joyfully,
 sharing our gifts, spreading the Gospel,
 celebrating the Sacraments,
 trusting Jesus using *The Little Way of St. Therese*

“Jesus entered the synagogue and taught. The people were astonished at his teaching, for he taught them as one having authority and not as the scribes.” Mk 1:21-22

The words Jesus addresses to the people immediately give access to the will of the Father and to the truth about themselves.

The divine authority is not a force of nature. It is the power of the love of God that creates the universe and, becoming incarnate in the Only-Begotten Son, descending into our humanity, heals the world corrupted by sin.

Authority, for human beings, often means possession, power, dominion and success. Instead for God authority means service, humility and love; it means entering into the logic of Jesus who stoops to wash his disciples’ feet (cf. Jn 13:5), who seeks man’s true good, who heals wounds, who is capable of a love so great that he gives his life, because he is Love.
